Amicus

God opened a door to save Mankind and all of you slammed it shut. Remember that my gift to you cannot be returned. You now have the Scarlett Letter.

God will continue to give me miracles by opening doors.

Here is a true story. I had full knee replacement surgery in June in a hospital. I took every blood test, had an EKG, MRI, chest x-ray and a MRSA test. The CDC took my blood with a two-person security team. My personal doctor expressed her concern at the number of tests that I was taking. I WAS NOT GIVEN A COVID19 TEST AND I WAS NOT TESTED FOR COVID19 ANTIBODIES. Why? My blood has the cure.

Review the following case and pleading:

- Case 1:20-cv-21108-UU Document 79 Entered on FLSD Docket 07/31/2020 Page 1 of 11.
- Alters v. Peoples Republic of China (1:20-cv-21108) District Court, S.D. Florida Judge Ursula Ungaro Federal Court - 400 North Miami Avenue - Room 12-4 - Miami, Florida 33128
- Motion for Leave to File Amicus 42 – My blood and the blood of 15,000 cadets and midshipmen who were at the Air Force Academy, Naval Academy (Annapolis), Coast Guard Academy and Military Academy (West Point) in the fall of 1980 have the Antidote (Anti-Virus) for COVID19/Katrina Viruses in their blood.

The vaccination that we received was the first "Gain of Function" test that was conducted by our government. If the vaccination had been given to the general population it would have had an 80% mortality rate. We were a control group. Read the pleadings.

Do you see the light? Our government is trying to correct the intentional mistakes that they made.

Something so simple as changing the narrative could have saved Mankind.

Judge Leichty committed the most heinous act by denying those young women at Indiana University the right to procreate. He played God as have all of you. How could you so easily discard the word "posterity" from the Preamble? We exist for God's children, not the computers and machines that you are turning us into so that your sunarcissistic needs are satisfied.

Forcing the U.S. Marshals, those that protect you, to get vaccinated is a huge mistake and to be honest, stupid.

When the one true God asks you about playing God what will you say?

This Amicus was filed in the following cases:
